Re: Mining Flagstone - UMC 268644

Dear Mr. Chew:

We have reviewed a copy of your Notice or Plan of Operations. We received a copy of the notice from the Bureau of Land Management on August 19, 1994.

This project is for surface mining of Flagstone in Uintah County and will involve approximately 1 acre. It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

A handwritten signature in black ink, appearing to read "Kiran L. Bhayani", is written over a light blue horizontal line.
